

Calvin Klein, Bluewater

Client: Calvin Klein

Contract Duration: 5 weeks

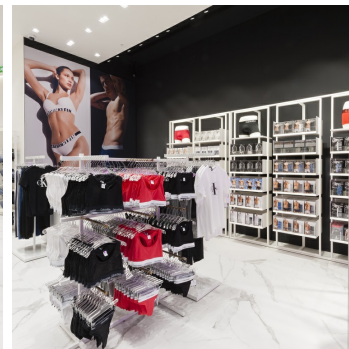

This project included the strip out of the existing unit and a full fit out thereafter of the CKU brands latest concept design. The fit out brings a vibrant feel to its environment within Kent's highly renowned shopping centre.

Project Details:

110m2 New Store

Strip-out previous shopfit, supply and install new M&E services, lighting, sprinkler system, fire alarm, security and audio systems.

White-box walls and ceilings and lay new ceramic tile floor. Installation of structural steel-work to support new shopfront including glazing, powder-coated cladding and integrated security shutter.
